

Welcome to Henny Penny Farm Camp!

We are so excited to have the children with us this summer.

Here's our **Farm Camper Checklist**, which includes everything you need to please bring with you and those few things that we kindly ask you do at home before you arrive:

- **RUCKSACK**: Children will carry their backpack between the 2-3 different camp bases each day, so please only bring **one** Rucksack or bag with them. It should fit all the items they will be wearing/bringing to camp with them, including but not limited to:
 - **WATER**: bring a full water bottled labelled with the child's name, we provide re-fills.
 - **LUNCH**: please bring a **NUT FREE** packed lunch (with ice pack if required) labelled with the child's name.
 - **CLOTHING**:
 - a hat for sun protection
 - closed toe shoes (absolutely no open-toed shoes allowed); Sneakers or similar shoes will be fine for our summer camp activities.
 - pack a raincoat if the forecast looks like rain!
 - **FACE MASK**: is at your discretion. If you would like your child to wear a mask at any time, please let us know at drop-off.
- **SUNSCREEN**: arrive with sunscreen already applied (we strive for minimal direct sun so we will not need to re-apply sunscreen).
- **INSECT REPELLENT**: if required, arrive with insect repellent already applied.
- **HANDWASHING**: Please make sure your child is clear about what 20 seconds of hand washing is (sing Happy Birthday twice or whatever is a useful tool for them).
- **HAND SANITIZER**: we will supply hand sanitizer for use throughout the day when soap and water is not available.
- **SNACK**: we will have pre-packaged snacks. ***If your child has allergies or you have any concerns, please supply your own nut free snack.***
- **MOBILE PHONES**: please explain to your child that we operate an 'unplugged' camp experience, so during camp hours phones may not be out and should be switched off or set to silent mode so as not to cause a disruption.
- **WHEN YOU GET HOME**: please make sure your child does a Tick check and takes a shower. This should be done every day after camp as a precaution against Lyme disease.

DROP-OFF:

Due to limited space on our driveway, we have staggered drop-off times based on camp groups, to ensure safe arrival of the children to camp.

Your designated time is stated in the email this document was sent with.

When you arrive for drop-off, please bring your child to the check-in area which will be near the driveway. Once checked in your child will bring their belongings to their designated spot for the day. Please do not leave until your child(ren) have been fully checked in.

PICK-UP:

For pick-up, we also have staggered times based on camp groups, to ensure safe departure of the children from camp.

Your designated pick-up time is stated in the email this document was sent with.

Please come to the same area as drop-off and wait on/by the patio area, your child will be brought out to you.

We don't recommend early pick-up, however, if for some reason it is required, please let us know the details at drop-off.

SEVERE WEATHER:

Since we are mainly outside, if we have a severe thunder/lightning storm roll through we will call you to come collect your child. As all our camps finish by 2pm, we are optimistic this will not be an issue.

ILLNESS:

If your child is showing any signs of a cold, nasal infection or any other illness in the morning, please keep your child home for the day and do not bring to camp. If a child is sent to camp and visibly suffering from an infection or illness, the parents will be called to come and collect them. Please also see the terms and conditions section on the next page for further guidelines.

Thank you for helping to keep our summer camp a safe environment!

Most of all, we are truly looking forward to kicking off camp and sharing our farm, our animals and our habitat with the children...

...see you soon!
